

The more you read
The better you read
The better you read
The more you read

Welcome to First Grade at Hartfield Academy!

We know you are looking forward to a summer filled with family activities. Our hope and prayer would be that you would make special time this summer to read. We would like to partner with you in encouraging your child to read this summer. Our goal is to encourage the enjoyment of reading and to expose students to a variety of books. We have attached a reading log below for you to fill out with your soon to be first grader as you read books this summer.

We encourage you to visit the local library at least once a week in the summer to check out books and read them at home. Bedtime is always a special time for moms and dads to spend time reading with their child. These special moments will not be easily forgotten.

As you read with your child this summer, please fill in the reading log below. There is a place to write the name of the book, author, date and how many pages you read at each sitting. The comments section would be a good time to ask questions of your child about how they like the book or make predictions about what they think will happen next.

Please turn in the Reading log the first week of school.

Have a wonderful summer and happy reading!

The First Grade Teachers
